Midnapore - Murshidabad - Nadia - Rajshahi-Pabna-Dinajpur-Mymensingh.—No. 259P.H.—10th February 1944.—Whereas the Governor is satisfied that the districts of Midnapore, Murshidabad, Nadia, Rajshahi, Pabna, Dinajpur and Mymensingh are threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor of Bengal is pleased to prescribe the following temporary regulations, for a period of three months, for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in those districts.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delays as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

12. The District Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the District Health Officer or Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

26. Whenever the District Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the Board to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.
